

COMPANY PROFILE & COMMERCIAL CAPABILITIES

Funeral & Event Infrastructure • Mobile Cold-Chain • Sound Reinforcement • Livestock Supply

OFFICIAL PROFILE

1 Executive Summary

HLUGISO (Pty) Ltd is an established, 100% Black-owned private enterprise based in Greater Tzaneen, Limpopo. Established in 2019, the company delivers complete event infrastructure, weekly funeral and memorial logistics, mobile cold-chain rentals, ceremonial livestock, sound reinforcement, and catering support to private funeral groups, corporate clients, municipal protocol units, event planners, and families.

"We specialize in supporting the fast-moving, weekly funeral cycle (Thursday through Sunday). By combining localized Limpopo agricultural sourcing with rapid fleet mobilization, HLUGISO guarantees that weekend services, memorial events, and cultural rites are executed with solemn dignity, spotless hygiene, and absolute operational reliability."

3 Vision, Mission & Core Values

Vision: To be the preferred, most dependable commercial supply and infrastructure partner for funeral parlours, burial societies, and families across Limpopo and surrounding provinces.

Mission: To provide funeral directors and private organizers with seamless, single-source event infrastructure, pristine mobile sanitation, farm-fresh livestock, and crystal-clear audio engineering.

Dignity & Respect

Treating every ceremony, memorial, and cultural rite with solemn care and deep cultural understanding.

Punctuality & Reliability

Early setups, on-site technical supervision, and generator backup to ensure zero downtime.

Impeccable Hygiene

Rigorously sanitized VIP restrooms and clean, food-safe mobile cold rooms.

Integrity & Value

Clear, transparent commercial pricing and dedicated account support for partner parlours.

4 Core Commercial Services

4.1. Weekly Funeral & Memorial Infrastructure

- **VIP Mobile Restrooms:** Modern, flushable mobile toilet trailers equipped with handwash basins, running water, mirrors, soap dispensers, and solar/battery lighting.
- **Mobile Cold Rooms:** Hygienic, temperature-controlled trailers (-2°C to +4°C) for on-site meat hanging, food preservation, and beverage cooling.
- **Tents & Seating:** Waterproof stretch tents, marquees (50 to 1,000 seats), dignified church draping, executive seating, and tables.

4.2. Audio-Visual (AV) & Sound Reinforcement

- **Sound Systems:** High-output active PA systems for marquees, halls, and graveside ceremonies (100 to 1,000+ attendees).
- **Microphones:** Multi-channel UHF wireless microphones with wind protection for officiants and family speakers.
- **Power & Engineers:** Low-noise standby backup generators (with automatic voltage regulation) and dedicated sound engineers.

4.3. Ceremonial & Cultural Livestock Supply

- **Cattle:** Healthy, disease-free oxen, heifers, and tollies for customary family rites and funeral catering.
- **Goats & Sheep:** Indigenous goats, Boer goats, and sheep prepared for traditional family rituals.
- **Direct Delivery:** Doorstep transit via dedicated livestock trailers, fulfilling short-notice orders within 24 to 48 hours across Limpopo.

4.4. Outsourced Catering, Hygiene & Facilities

- **Catering:** Traditional funeral feast preparation under strict hygiene standards and VIP buffet line setups.
- **Hospitality:** Morning arrival tea, coffee, and refreshment stations.
- **Facility Cleaning:** Commercial janitorial, pre- and post-event cleanup, waste management, and office maintenance.
